Ensure there are appealing non-alcoholic options like virgin mojitos or fruity mocktails for guests who prefer not to drink alcohol.

4. Craft Beer Selection:

If the couple enjoys craft beer, offer a curated selection of local brews to cater to beer enthusiasts among the guests.

5. Wine Bar with Variety:

Set up a wine bar featuring red, white, and sparkling wines. This provides options for guests with different wine preferences.

6. Interactive Drink Stations:

Consider interactive drink stations like a DIY mimosa bar etc, adding an element of fun and customisation to the experience.

7. Fresh Juices:

Keep guests hydrated with local fresh fruit juices, especially important for outdoor weddings or warm weather.

8. Caffeine Fix:

If the wedding extends into the evening, offer a coffee station with various brews and add-ons like flavored syrups, whipped cream, and chocolate shavings.
